PARENT/CAREGIVER DECLARATIONS AND AGREEMENTS

Declaration and Agreement One - Privacy Statement

The information collected will be used by the school for enrolment and forms an essential part of the information held by the school on your child. The records made from this information may be viewed on request at the school. The information collected may be disclosed to appropriate education, health and welfare authorities and for data-gathering purposes by the New Zealand Ministry of Education, in accordance with the principles of the Privacy Act. It will not be disclosed to any other person or agency unless such disclosure is authorised or required by law.

I accept that my son / daughter's photograph or school work may be used for publicity material (ie website or other displays)

I / We understand that my child's work and image may be used in accordance with the school's online publishing policy/procedures.

I / We understand that the information on this form will be used by this school to maintain appropriate school records and effective contact with the enrolled pupil's parents/caregivers. That the school may forward my child's name and address to a potential intermediate school or high school.

I / We also agree to the school requesting relevant information from other schools for enrolment purposes and class placements and to forwarding relevant information to another school for enrolment purposes and class placements.

I / We understand and give permission for the medication details in the Health Record list to be administered if and when necessary by the staff of Taupo Primary School. Please ensure the container is clearly labelled with the child's name, the contents of the container, the dosage, expiry date and other relevant information (eg. store in the fridge). In the event of accident or sudden illness. I / We authorise the staff of Taupo Primary School to obtain such medical assistance as may be necessary.

I / We acknowledge that the information is true and correct and will be relied upon by the school. If found to be false by the school, then the school reserves the right to remove your child.

Declaration and Agreement Two - Usual Place of Residence

The address given at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. The address must be a Council approved rateable dwelling whether owner occupied or rented and your family are the sole occupants. The Ministry of Education has advised that parents should be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in zone living arrangement which they intend to be only temporary, for example:

- Residing in zone on a short term basis (must reside in zone for a minimum of 3 months from the first day the student commences school at Taupo Primary School)
- Arranging temporary board in zone with a relative or family friend.
- Using the in zone address of a relative or friend as an "address of convenience" with no intention to live there on an ongoing basis.

If the Taupo Primary School Board of Trustees learn that a student is no longer living at the in zone address given at the time of application for enrolment, and has reasonable grounds to believe that a temporary in zone residence has been used for the purpose of unfairly gaining priority in enrolment at the school, then the Board will review the enrolment. Unless the parents can provide a satisfactory explanation within 10 days, the Board will annul the enrolment. This course of action is provided under Section 110 (A) of the Education Act 1989. Taupo Primary School may actively collect information to ensure that the enrolment data provided is accurate.

I confirm that the address which I have provided to Taupo Primary School will be the usual place of residence of _____ (student's name) when the school is open for instruction. I will advise the school of any subsequent change of address. In the event of that change of address from in zone to out of zone may result in the student ceasing to be eligible to remain enrolled as a student of Taupo Primary School.

Declaration and Agreement Three - Residing Permanently with Natural Parent or Legal Guardian or Authorised Primary Duty of Care

I confirm that my son / daughter will reside permanently with their parent/s or Legal Guardian or Authorised Primary Duty of Care for the duration of their attendance at Taupo Primary School.
