

Taupo Primary School

Covid 19 - Level 3
Update
Monday 30th August

On Friday afternoon we all heard that our area will be moving into level 3, effective Wednesday 1st September. There have been some very clear messages from the Government. One message we have been asked to help share with families is below.

At Alert Level 3, you legally must stay within your household bubble unless for essential personal movement including going to work and going to school. As the Prime Minister noted on Friday, schools are essentially closed at Alert Level 3 with the exception of those few children whose parents and carers must go to work at Alert Level 3, and there is no appropriate caregiver at home.

The above statement from the Government is very clear, if an adult is at home (even working from home) then children STAY AT HOME. Below is a useful flowchart that schools are using to help parents make informed and correct decisions about sending their child to school.
