GREATLAKE TOUCH ASSOCIATION
01-0427-0159512-00

Remember to put Team name as a reference. Also if you are paying for multiple teams please ensure you list all teams. Thankyou.

You can contact Paulla directly on 0272495365 to let her know you have paid.

Entry fees are inclusive of GST.

1. DRAWS: Team managers will be notified of their first round games and the section they are in prior to the start date. Copies of the draw will be available from the first playing night. (Subject to change.) The draw will be displayed weekly on the **Great Lake Touch Facebook Page** and also on the board at the Touch fields.

2. CANCELLATIONS: If it is raining or for some other reason beyond our control, we will cancel all junior games for that day. All cancellations will be posted on our facebook page and via email by 1.30 that day. No points will be received for the cancelled round. Cancelled games **WILL NOT** be played the following week. The drawer will continue on as normal.

3. REFEREES: All teams **MUST** nominate a referee as a condition of entry. We are **VERY** short of referees which is why we have to enforce this rule. This is a perfect opportunity for parents, friends, family to help support the kids. If you are really stuck for a referee, a suggestion is to contact the local secondary schools and ask if there are any students who would like to ref for a team for the season as part of voluntary work to earn credits. There are also students who could be fundraising for other sporting codes.

5. UNIFORMS: Teams must have **uniform** playing shirts by the first playing game and are to be for the referee to see. Appropriate footwear to be worn at all times (Moulded shoes allowed No Screw in sprigs or studs.) THIS WILL BE ENFORCED.

Play Hard, Play Fair and Good Luck for the Season.
