Every class has been working very hard. You are able to buy as much art as you would like. There will also be professional art, that will be auctioned off. All the classes have been working hard together to create a masterpiece ready to be sold. If you can't make the auction come and have a look after school. Bring cheese and crackers if you want.

Here is sneak peek at some of the art..

Wired and tired- there are a number of children feeling tired at school lately due to all the busy after school practices and weekend sports. Time to switch off those devices earlier in the evening and ensure our children get a really good night's sleep.

EOTC Camp... What do you

THINK?- we want to know what you have to say about CAMPS at our school. Please complete the survey form sent home today with your child and return... This is for all our whanau and families to have a say from the new entrant to the year 6 parent/caregiver about who and when we go to camp. This is forming part of our curriculum review at the moment and we really need to know what you would like so we can start planning.

See you this evening!
