Second hand Uniform

Over the last year or so we have stocked some second hand uniform in the hall foyer for families who may need uniform items. There is no charge for these items or you can come and exchange uniform items for bigger sizes if we have them.

We are also looking for a parent/caregiver who can help us with our second hand uniform. This would entail just sorting and keeping the area tidy (perhaps 15 mins per week). If you can help please contact the school office.

The Incredible Years Programme uses 14 weeks of two and a half hour sessions to give you information and practical application to ensure that in the completed time, you the parent have enough tools to tackle any behavior issues that your child presents.
