'Hooked on Learning'
Week 10
Celebrating being
HOOKED ON LEARNING
Rooms 8,9, 4 & 5**

Room 8 and 9 'Celebrations' - Create Day

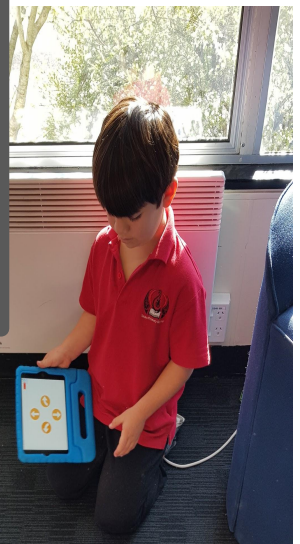

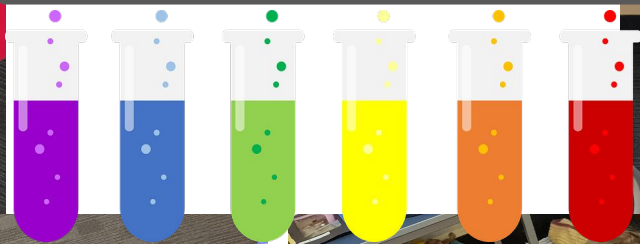

We made birthday cakes, party hats, goodie bags, decorated balloons, wrote invitations, and made pin the tail on the animal games. We all had loads of fun!

Every Friday we have a Create Day where students can choose from a variety of activities or make up their own. These activities are based around a theme that has come from our student's interests. Our students are developing skills such as design and dramatic play and are becoming more proficient at using the key competencies to support their learning.

In Rooms 4 & 5, We have loved learning about coding through the use of the Blue Bots and other 'unplugged' activities. We learnt how to give and follow instructions. We have been having fun getting alongside our buddy class to make paper helicopters and boats from walnut shells. For science, we made sherbert and ph indicators to measure acidity and basicity.

Have you thought about becoming a board member for your school?

Come along to NZSTA's Kōrari Programme to find out about becoming a board member!

We are holding a community hui at Chantilly's Motor Lodge, Tamamutu Street, Taupo on Wednesday, 28 October at 7 pm in the lead up to this year's mid-term elections. Even if your school isn't holding this election, come along if you'd like to know more about school boards and what they do.

At the hui you'll hear about:

- What is a school board of trustees
- What do trustees do
- What skills do trustees need
- Who can become a trustee
- How do I become a trustee
- Who is on a board of trustees
- How is a board elected
- What help do school trustees get
- How does the board of trustees work

We look forward to seeing you and helping your school's succession planning!
