Taupo Primary School

'Ko te ako te maneatanga' 'Hooked on Learning' A Celebrating Journey, Term 4, Week 5

WHARE

During Te Wiki o Te Reo Maori, Room 21 considered the importance of the Wharehenui. The Wharehenui is a place to meet, to talk about important things and to remember those who have come before us.

The students were asked "If you could spend the day with one of your ancestors, who would it be?"

Come along to the foyer in the admin block and see the awesome display by our students in Room 21.

SEASONS programme information

We offer a very successful education programme called *Seasons for Growth*. This programme is facilitated in small groups of similar aged primary school children. The programme is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The programme focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks. The total time involved is one hour per week for 9 weeks, usually fitting neatly into a school term. We hope to have the programme in our school starting in Term 1, next year.

The programme is about peer support - often the greatest benefit is being with others who are experiencing similar things.

It is great for children who have had loss of different sorts; parent separation, difficulty accepting moving to new towns, schools; having difficulty coping with change; children who feel alone or shy. We will run the programmes in the school, possibly in the afternoons slots as this is the least interruptive of your busy schedules.

If there are any parents/caregivers who would like their child to participate in the SEASONS programme in 2021 please leave your name, your child's name and a contact number at the school office or email suef@taupoprimary.school.nz
