Covid 19 Vaccine Mandate

You may be aware that as of the 16 November there is a requirement for anyone working with students in a school setting to have had their first vaccination shot. This extends to volunteers working with students onsite or on school trips. We will provide more information on how we will gather this information next week. This mandate does not extend to parents only picking up and dropping off students.

School Field Update

You will notice that from a distance our field is looking fantastic. The experts have just carried out scheduled maintenance and repairs on areas of the field, so there are a few patches that have been re-sown. They have also indicated that there are areas that we can proceed with light usage. Next week we will begin letting classes use these spaces for PE etc.

Kapahaka

The link to watch the Year 4-6 Kapa Haka performances will be available soon. We look forward to sharing it with you.
