# 'Ko te ako te maneatanga' 'Hooked on Learning' Friday 1 April 2022 Term 1, Week 9

Kia Ora Whanau,

As you will be aware the government has made a move to remove some of the mandates and restrictions around Covid-19.

This has not really affected the way we operate as a school, we are still in CPF Red Phase two. The way we are operating still follows the advice and guidance of the Ministry of Education and Ministry of Health. You will see very little change in the day to day operations that we are using to help keep everyone safe.

The increase of gathering rules, has however, allowed us to easily carry out face to face parent meetings. Please note a summary of the information below.

We are still seeing a steady number of students and staff within the school testing positive for Covid-19. Many of these students are presenting symptoms at school and going home to be tested positive. Please do not send your children to school if they are unwell. Headaches, sore throats and sore tummy are among the common symptoms our covid-positive students seem to be having.
