

A simple illustration of a red apple with a single green leaf and a brown stem. The apple is bright red with a slight gradient, and the leaf is a vibrant green. The stem is a simple brown line.

Whanaungatanga has been a key focus for the Ngā Whetū Kanapa team in term one. As part of this unit we have created self-portraits, co-constructed our class charters and begun to learn our Mihi.

Some classes used super heroes as inspiration for creating our self-portraits. Have a wonderful holiday.

**TELL US YOUR THOUGHTS ON:
SPEED MANAGEMENT**

We are looking at how we set speed limits on local roads and streets (not State Highways) to make our roads and streets safer for all. Consultation closes 4.30pm, 13 May 2022.

Taupō Primary School (Tītīraupenga St frontage),
St Patrick's Catholic School (Taupō), Tauhara Primary School, Lake Taupō Christian School

 → 

These schools are located on busier roads. Given the high traffic volume of these roads, it is more practical for the 30 km/h speed limit to apply only at the start and end of the school day when students are going to and from school.

Tamamutu Street Pedestrian Crossing

Speed cushions/bumps will be installed on our pedestrian crossing on Tamamutu Street next Monday night 11th April, weather permitting. This is to further encourage safe crossing of the road for the students and general public.

A huge thank you to our sponsors who are supporting
safer swimmers at Taupo Primary School
