Taupo Primary School

'Ko te ako te maneatanga' 'Hooked on Learning' Newsletter Term 2, Week 5 HOOKED ON LEARNING

In a very very busy week, it was great to see a group of students head up to the Greening Taupo Planting Day at Crown Park. Thank to the families that took time out to take students up to participate.

We are excited to let you know that today marked the first day of Greening Projects in our School. Over the next few weeks leading up to Matariki we have a bunch of "greening projects" planned around the school and in the classrooms. Some of these are learning based in the classroom, others will be physical development of spaces and gardens etc.

We did a big supply shop today and some classes have already got stuck in.

Watch out for invites to come and share your expertise and assist the students with their planned projects.

This week we have had Life education trust in all week, working with our Junior School. The kids always get super excited to see Harold and take part in the fun learning activities in the truck!!

Our seniors have been at swimming lessons each day and this continues next week! Don't forget your togs! The pool staff and bus drivers have commended the behaviour and attitude of our groups! Well done and keep it up!

School Raffle Fundraiser Coming in the next couple of weeks.

Watch this space.

If you do not wish for your child to bring raffle tickets home to sell, please email the office and let us know.

NO PARKING IN THE SCHOOL BUS BAY

We have had students put at risk due to cars parking in the bus bay and the buses having to park encroaching on our crossing area.

We are trying to acquire signage to help remind everyone that it is not a car park. In fact you can get fined for parking in the bus bay.

FIELD UPDATE

With a short term closure of our field, we are seeing a much lusher and greener field. The undersowing and new grass is starting to take off. The field is open again and when the weather dries up students will be allowed back on it at break times.
