

"Hooked on learning"

Taupo Primary School

# 'Ko te ako te maneatanga' 'Hooked on Learning' Thursday 16 June 2022 Term 2, Week 7

We have had a very busy few weeks with many many things happening around the school. Most of our field is back in action and when the weather allows the grounds to dry a little more it will be in full use again!

It was great to see our whole school out on the lush green grass as part of our fire drill today! Please remember if you are onsite during the school day for longer than a pick up or drop off you need to sign in at the office so we can keep track of who is onsite in case of emergencies.

Please  
Keep Our Bus  
Bays Clear

## Planting For Families In Rooms 1-14

Next week (see details to the left) there is a Matariki Community Planting Event. Many of our senior students will be taking part, by making the walk up to the river bank.

We would like to encourage any parents / whanau that would like to take younger students (Room 1-14) up for the event to do so.

Simply pop into school and sign your children out, then sign them back in when you bring them back. *NB - we would love you to join our group of senior students when up there, but you will need to stay with your child and be responsible for them.* If you choose to just meet us up there and not come to school first, please contact the office and let us know for our attendance registers.

Next week our Juniors will also be doing some planting around the school. Keep an eye on seesaw to see if they need any parent helpers.
