'Hooked on Learning'

Friday 1 July 2022

Term 2, Week 9

Kia Ora Whanau,

We are only 1 week shy of being officially halfway through our 2022 school year!

It has been a challenging two terms, with a multitude and ongoing disruptions due to Covid and Illnesses. It has taken a lot of teamwork and flexibility over the last two terms, but we have been lucky to have not had to close any parts of the school.

In any given week we generally have had 3 times more relievers than we would normally have in and in excess of 100 students a day off. This causes an unavoidable but significant disruption to normal learning programmes. I am so proud of how our Tamariki have taken this in their stride. I cannot thank our teachers and relievers enough for their flexibility and adaptability when teachers are away and their plans have to change.

We appreciate the support of our parents and whanau for their understanding as we have travelled through this bumpy road together.

We would love to wave a magic wand and roll into a 'normal' term 3, however we do envisage the ongoing disruptions and 'covid effect'. But we will continue to get through it as a team and a whanau supporting each other.

Uniform Jumpers

As the cold has set in, we have noted that there is an increasing number of students wearing non uniform jumpers. Please come and check out the lost property - there are lots of unclaimed fleeces.

If you need an extra polar fleece we do have quality second hand ones that we can give you.

Students in non school jumpers will be asked to wear one of our spares.

Stay Vigilant and Stay at Home

We have a variety of illness making its way through the school. Please stay alert and keep sick students at home. In the last week we have noticed high levels of

Covid -19 (Second time round for some families).
