Online Frozen Pies and Savouries Fundraiser

Delivery Day THIS Thursday 12th October

Dear Families,

This Thursday, we will be receiving our frozen pie orders. Each student/family will have been sent a report (to their registered email) showing all of the supporters who have purchased from their fundraising page. The school also has a copy of this report and will pack the pies accordingly.

Students will need to bring a chilly bin/s or chilly bag/s to school on Thursday 12th October with an ice pack inside to ensure the pies stay frozen.

Please ensure your chilly bin or bag is named. Some volunteers will be in the hall with masking tape to name your chilly bin or bag if needed from 8.00am this Thursday.

If you have requested pick up from school due to selling large quantities of pies, your child's pie orders will be ready at the hall from 1.30pm onwards. Please ensure you have contacted Danielle Collard if this is the case.

Students/Parents will pick these pies up on pick up day and deliver them to family or friends who have purchased the pies through their fundraising page.

If you have any questions, please contact Danielle Collard daniellec@taupoprimary.school.nz

Thank you again for supporting us with this fundraiser.

Te Whatu Ora Health New Zealand

Fluoride Varnish in Schools Program

Fluoride varnish is a temporary protective coating that is painted on your child's teeth. It is quick and easy to apply.

Currently, fluoride varnish is usually applied each year at your child's routine dental examination to prevent decay.

Your child's school is part of a program in which Te Whatu Ora (Lakes) Oral Health Service is applying fluoride varnish to eligible children in Years 1-8 twice a year at their school. This is an additional service that does not replace your child's routine dental exam.

The dental team will be visiting Taupo Primary School on Monday 16th October 2023 to provide this service to those children who are enrolled with us and have consent to have fluoride treatment.

If you have any questions regarding this service, or you **do not** want your child to receive fluoride, please phone the Lakes Oral Health team on 0800 525 378 (0800 Lakes Teeth).
