

'Ko te ako te maneatanga' 'Hooked on Learning' Term 1, Week 9 Celebrating being **HOOKED ON LEARNING** Rooms 9, 10 and 11

This term the Puna team have been focusing mostly on our school values of Whanaungatanga and Manaakitanga. As part of our learning, we are conducting a variety of statistical investigations to find things out about each other, being respectful and focusing on how to be a good friend. We have really enjoyed getting to know each other and finding out some interesting things about each other that we didn't know. We have also enjoyed creating some colourful pieces of art.

We have had a really busy term with lots of fun learning experiences. We really enjoyed our athletics sports tasters where we learnt how to safely run, jump and throw, we celebrated pink and red day for Heart Kids, had the dental team give us fluoride varnish to protect our teeth and even had an unexpected whole school fire drill or two! Sadly, we also had to say ka kite to Whaea Lisa who is going to new adventures at a new school. We will miss her dearly.
